# Watch some movies ? - Geosint 2/4

50

medium

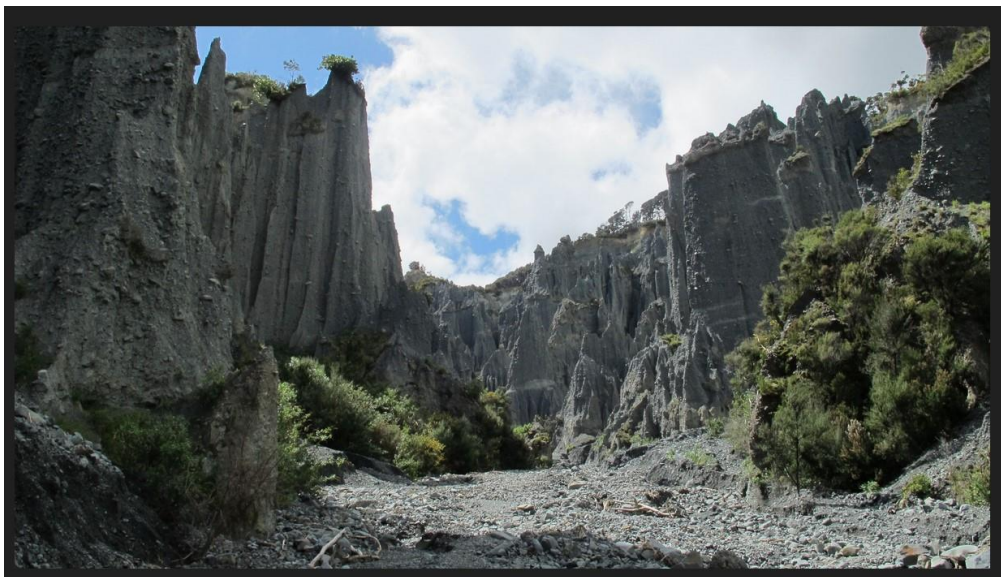

This magnificent landscape was used during the shooting of a scene from a famous movie. But do you know the title of this film? The flag is **in english** in the following form ; in lowercase and with \_ instead of spaces : RM{flag}

Author : [Evix#0429](#)

A reverse search by Google Lens shows us that it is the Putangirua Pinnacles in New Zealand. We easily get the name of the movie that was shot there on wikipedia.

RM{the\_return\_of\_the\_king}
