Can you find this picture location ? We're looking for the name
of the castle in lowercase and with _ instead of spaces. The flag
is **in english** and in the form : RM{castle_flag}

From the statement, we already know that it is a castle in France. A simple reverse
search by Google Lens tells us that it is the castle of Roquetaillade. It remains to
put this text in form to have the flag .

RM{castle_roquetaillade}
